If the form or terms of the Securities or Coupons of the series have been established in or pursuant to one or more Board Resolutions as permitted by this Section and Section 2.01, in authenticating such Securities and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and (subject to Section 7.01) shall be fully protected in relying upon, an Opinion of Counsel stating:

(a) if the form of such Securities or Coupons has been established by or pursuant to Board Resolution as permitted by Section 2.01, that such form has been established in conformity with the provisions of this Indenture;

(b) if the terms of such Securities have been established by or pursuant to Board Resolution as Permitted by Section 2.01, that such terms have been established in conformity with the provisions of this Indenture; and

(c) that each such Security and Coupon, when authenticated and delivered by the Trustee and issued by the Corporation in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Corporation, enforceable in accordance with its terms, subject to bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other laws of general applicability relating to or affecting the enforcement of creditors' rights and to general equity principles, whether applied in a proceeding at law or in equity. If such form or terms have been so established, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and the Indenture or otherwise in a manner that is not reasonably acceptable to the Trustee.

Every Registered Security shall be dated the date of its authentication. Each Unregistered Security shall be dated as provided in or pursuant to the Board Resolution or supplemental indenture referred to in Section 2.01 or, if no such terms are specified, the date of its original issuance.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder and is entitled to the benefits of this Indenture. Notwithstanding the foregoing, if any Security shall have been duly authenticated and delivered hereunder but never issued and sold by the Corporation, and the Corporation shall deliver such Security to the Trustee for cancellation as provided in Section 2.08 together with a written statement (which need not comply with Section 14.04 and need not be accompanied by an Opinion of Counsel) stating that such Security has never been issued and sold by the Corporation, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

If the Corporation shall establish pursuant to Section 2.01 that the Securities of a series are to be issued in whole or in part in the form of a Global Security, then the Corporation shall execute and the Trustee shall in accordance with this Section and the Corporation Order with respect to such series authenticate and deliver the Global Security that (i) shall represent and shall be denominated in an aggregate amount equal to the aggregate principal amount of outstanding Securities of such series to be represented by the Global Security, (ii) shall be registered, if in registered form, in the name of the Depository for such Global Security or the nominee of such Depository, and (iii) shall be delivered by the Trustee to such Depository or pursuant to such Depository's instructions.

Each Depository designated pursuant to Section 2.01 for a Global Security in registered form must, at the time of its designation and at all times while it serves as Depository, be a clearing agency registered under the Securities Exchange Act of 1934, as amended, and any other applicable statute or regulation.

SECTION 2.04. *Denominations; Record Date.* The Securities shall be issuable as Registered Securities or Unregistered Securities in such denominations as may be specified as contemplated in Section 2.01. In the absence of any such specification with respect to any series, such Securities shall be issuable in the denomination contemplated by Section 2.01.

The term "record date" as used with respect to an Interest Payment Date (except a date for payment of defaulted interest) shall mean such day or days as shall be specified in the terms of the Registered Securities of any particular series as contemplated by Section 2.01; provided, however, that in the absence of any such provisions with respect to any series, such term shall mean (1) the last day of the calendar month next preceding such Interest Payment Date if such Interest Payment Date is the fifteenth day of a calendar month; or (2) the fifteenth day of a calendar month next preceding such Interest Payment Date if such Interest Payment Date is the first day of the calendar month.

The person in whose name any Registered Security is registered at the close of business on the Regular Record Date with respect to an Interest Payment Date shall be entitled to receive the interest payable and Additional Amounts, if any, payable on such Interest Payment Date notwithstanding the cancellation of such Registered Security upon any transfer or exchange thereof subsequent to such Regular Record Date and prior to such Interest Payment Date; provided, however, that if and to the extent the Corporation shall default in the payment of the interest and Additional Amounts, if any, due on such Interest Payment Date, such defaulted interest and Additional Amounts, if any, shall be paid to the persons in whose names outstanding Registered Securities are registered on a subsequent record date established by notice given by mail by or on behalf of the Corporation to the Holders of Securities of the series in default not less than fifteen days preceding such subsequent record date, such record date to be not less than five days preceding the date of payment of such defaulted interest.

SECTION 2.05. *Exchange and Registration of Transfer of Securities.* Registered securities of any series may be exchanged for a like aggregate principal amount of Registered Securities of other authorized denominations of such series. Registered Securities to be exchanged shall be surrendered at the office or agency to be designated and maintained by the Corporation for such purpose in the Borough of Manhattan, The City of New York, in accordance with the provisions of Section 4.02, and the Corporation shall execute and register and the Trustee shall authenticate and deliver in exchange therefor the Registered Security or Registered Securities that the Holder making the exchange shall be entitled to receive.

If the Securities of any series are issued in both registered and unregistered form, except as otherwise specified pursuant to section 2.01, at the option of the Holder thereof, Unregistered Securities of any series may be exchanged for Registered Securities of such series of any authorized denominations and of a like aggregate principal amount, upon surrender of such Unregistered Securities to be exchanged at the agency of the Corporation that shall be maintained for such purpose in accordance with Section 4.02, with, in the case of Unregistered Securities that are Coupon Securities, all unmatured Coupons and all matured Coupons in default thereto appertaining. At the option of the Holder thereof, if Unregistered Securities of any series are issued in more than one authorized denomination, except as otherwise specified pursuant to Section 2.01, such Unregistered Securities may be exchanged for Unregistered Securities of such series of other authorized denominations and of a like aggregate principal amount, upon surrender of such Unregistered Securities to be exchanged at the agency of the Corporation that shall be maintained for such purpose in accordance with Section 4.02 or as specified pursuant to Section 2.01, with, in the case of Unregistered Securities that are Coupon Securities, all unmatured Coupons and all matured Coupons in default thereto appertaining. Unless otherwise specified pursuant to Section 2.01, Registered Securities of any series may not be exchanged for Unregistered Securities of such series. Whenever any Securities are so surrendered for exchange the Corporation shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

The Corporation or its designated agent (the "Security Registrar") shall keep, at such office or agency, a Security Register (the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Corporation shall register Securities and shall register the transfer of Registered Securities as provided in this Article Two. The Security Register shall be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times the Security Register shall be open for inspection by the Trustee. Upon due presentment for registration of transfer of any Registered Security of a particular series at such office or agency, the Corporation shall execute and the Corporation or the Security Registrar shall register and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Registered Security or Registered Securities of such series for an equal aggregate principal amount.

Unregistered Securities (except for any temporary bearer Securities) and Coupons shall be transferable by delivery.

All Securities presented for registration of transfer or for exchange, redemption or payment, as the case may be, shall (if so required by the Corporation or the Trustee) be duly endorsed by, or be

accompanied by, a written instrument or instruments of transfer in form satisfactory to the Corporation and the Trustee duly executed by the Holder or his, her or its attorney duly authorized in writing.

No service charge shall be made for any exchange or registration of transfer of Registered Securities, but the Corporation may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith.

The Corporation shall not be required to exchange or register a transfer of (a) any Registered Securities of any series for a period of fifteen days next preceding any selection of Registered Securities of such series to be redeemed, or (b) any Security of any such series selected for redemption except in the case of any such series to be redeemed in part, the portion thereof not to be so redeemed.

Notwithstanding anything herein or in the terms of any series of Securities to the contrary, neither the Corporation nor the Trustee (which shall rely on an Officers' Certificate and an Opinion of Counsel) shall be required to exchange any Unregistered Security for a Registered Security if such exchange would result in adverse Federal income tax consequences to the Corporation (including the inability of the Corporation to deduct from its income, as computed for Federal income tax purposes, the interest payable on any Securities) under then applicable United States Federal income tax laws.

SECTION 2.06. *Temporary Securities.* Pending the preparation of definitive Securities of any series, the Corporation may execute and on receipt of a Corporation Order the Trustee shall authenticate and deliver temporary Securities of such series (printed or lithographed). Temporary Securities of any series shall be issuable in any authorized denominations, and in the form approved from time to time by or pursuant to a Board Resolution but with such omissions, insertions and variations as may be appropriate for temporary Securities, all as may be determined by the Corporation. Every temporary Security shall be executed by the Corporation and authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Securities. Without unnecessary delay the Corporation shall execute and furnish definitive Securities of such series and thereupon any or all temporary Registered Securities of such series may be surrendered in exchange therefor without charge at the office or agency to be designated and maintained by the Corporation for such purpose in the Borough of Manhattan, The City of New York, in accordance with the provisions of Section 4.02 and in the case of Unregistered Securities at any agency maintained by the Corporation for such purpose as specified pursuant to Section 2.01, and the Trustee shall authenticate and deliver in exchange for such temporary Securities an equal aggregate principal amount of definitive Securities of the same series of authorized denominations and in the case of such Securities that are Coupon Securities, having attached thereto the appropriate Coupons. Until so exchanged the temporary Securities of any series shall be entitled to the same benefits under this Indenture as definitive Securities of such series. The provisions of this Section 2.06 are subject to any restrictions or limitations on the issue and delivery of temporary unregistered Securities of any series that may be established pursuant to Section 2.01 (including any provision that Unregistered Securities of such series initially be issued in the form of a single global Unregistered Security to be delivered to a depository or agency of the Corporation located outside the United States and the procedures pursuant to which definitive Unregistered Securities of such series would be issued in exchange for such temporary global Unregistered Security).

SECTION 2.07. *Mutilated, Destroyed, Lost or Stolen Securities.* In case any temporary or definitive Security of any series or, in the case of a Coupon Security, any Coupon appertaining thereto, shall become mutilated or be destroyed, lost or stolen, the Corporation in the case of a mutilated Security or Coupon shall, and in the case of a lost, stolen or destroyed Security or Coupon may, in its discretion, execute, and upon receipt of a Corporation Order the Trustee shall authenticate and deliver, a new Security of the same series as the mutilated, destroyed, lost or stolen Security or, in the case of a Coupon Security, a new Coupon Security of the same series as the mutilated, destroyed, lost or stolen Coupon Security or, in the case of a Coupon, a new Coupon of the same series as the Coupon Security to which such mutilated, destroyed, lost or stolen Coupon appertains, bearing a number not contemporaneously outstanding, in exchange and substitution for the mutilated Security, or in lieu of and in substitution for the Security so destroyed, lost or stolen or in exchange for the Coupon Security to which such mutilated, destroyed, lost or

stolen Coupon appertains, with all appurtenant Coupons not destroyed, lost or stolen. In every case the applicant for a substituted Security or Coupon shall furnish to the Corporation and to the Trustee such security or indemnity as may be required by them to save each of them harmless, and, in every case of destruction, loss or theft, the applicant shall also furnish to the Corporation and to the Trustee evidence to their satisfaction of the destruction, loss or theft of such Security or Coupon, as the case may be, and of the ownership thereof. Upon the issuance of any substituted Security or Coupon, the Corporation may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith and in addition a further sum not exceeding ten dollars for each Security so issued in substitution. In case any Security or Coupon which has matured or is about to mature shall become mutilated or be destroyed, lost or stolen, the Corporation may, instead of issuing a substituted Security, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Security or Coupon) if the applicant for such payment shall furnish the corporation and the Trustee with such security or indemnity as they may require to save them harmless and, in case of destruction loss or theft, evidence to the satisfaction of the Corporation and the Trustee of the destruction, loss or theft of such Security or Coupon and of the ownership thereof.

Every substituted Security with, in the case of any such Security that is a Coupon Security, its Coupons, issued pursuant to the provisions of this Section by virtue of the fact that any Security or Coupon is destroyed, lost or stolen shall, with respect to such Security or Coupon, constitute an additional contractual obligation of the Corporation, whether or not the destroyed, lost or stolen Security or Coupon shall be found at any time, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities, and the Coupons appertaining thereto, duly issued hereunder.

All Securities and any Coupons appertaining thereto shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities and Coupons appertaining thereto and shall, to the extent permitted by law, preclude any and all other rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

SECTION 2.08. *Cancellation.* All Securities surrendered for payment, redemption, exchange or registration of transfer, and all Coupons surrendered for payment as the case may be, shall, if surrendered to the Corporation or any agent of the Corporation or of the Trustee, be delivered to the Trustee and promptly cancelled by it or, if surrendered to the Trustee, be cancelled by it, and no Securities or Coupons, shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Indenture. The Trustee shall destroy cancelled Securities and Coupons and deliver a certificate of destruction to the Corporation.

SECTION 2.09. *Computation of Interest.* Except as otherwise specified as contemplated by Section 2.01 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months.

SECTION 2.10. *Securities in Global Form.* If Securities of a series are issuable in global form, as specified as contemplated by Section 2.01, then, notwithstanding clause (9) of Section 2.01 and the provisions of Section 2.04, such Global Security shall represent such of the outstanding Securities of such series as shall be specified therein and may provide that it shall represent the aggregate amount of outstanding Securities from time to time endorsed thereon and that the aggregate amount of outstanding Securities represented thereby may from time to time be reduced to reflect exchanges. Any endorsement of a Security in global form to reflect the amount, or any increase or decrease in the amount, of outstanding Securities represented thereby shall be made by the Trustee in such manner and upon instructions given by such Person or Persons as shall be specified therein or in the Corporation Order to be delivered to the Trustee pursuant to Section 2.03 or Section 2.06. Subject to the provisions of Section 2.03 and, if applicable, Section 2.06, the Trustee shall deliver and redeliver any Security in definitive global bearer form in the manner and upon written instructions given by the Person or Persons specified therein

or in the applicable Corporation Order. If a Corporation Order pursuant to Section 2.03 or 2.06 has been, or simultaneously is, delivered, any instructions by the Corporation with respect to endorsement or delivery or redelivery of a Security in global form shall be in writing but need not comply with Section 14.04 and need not be accompanied by an opinion of Counsel. The beneficial owner of a Security represented by a definitive Global Security in bearer form may, upon no less than 30 days written notice to the Trustee, given by the beneficial owner through a Depository, exchange its interest in such definitive Global Security for a definitive bearer Security or Securities, or a definitive Registered Security or Securities, of any authorized denomination, subject to the rules and regulations of such Depository and its members. No individual definitive bearer Security will be delivered in or to the United States.

The provisions of the last sentence of the third to the last paragraph of Section 2.03 shall apply to any Security represented by a Security in global form if such Security was never issued and sold by the Corporation and the Corporation delivers to the Trustee the Security in global form together with written instructions (which need not comply with Section 14.04 and need not be accompanied by an Opinion of Counsel) with regard to the reduction in the principal amount of Securities represented thereby together with the written statement contemplated by the last sentence of the third to the last paragraph of Section 2.03.

Unless otherwise specified as contemplated by Section 2.01, payment of principal of, and any premium and any interest on, any Security in definitive global form shall be made to the Person or Persons specified therein.

SECTION 2.11. *Medium-Term Securities.* Notwithstanding any contrary provision herein, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Corporation Order, Officers' Certificate, supplemental indenture or Opinion of Counsel otherwise required pursuant to Sections 2.01, 2.03, 2.06, and 14.04 at or prior to the time of authentication of each Security of such series if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

An Officers' Certificate or supplemental indenture, delivered pursuant to this Section 2.11 in the circumstances set forth in the preceding paragraph may provide that Securities which are the subject thereof will be authenticated and delivered by the Trustee on original issue from time to time upon the written order of persons designated in such Officers' Certificate or supplemental indenture and that such persons are authorized to determine, consistent with such Officers' Certificate or any applicable supplemental indenture such terms and conditions of said Securities as are specified in such Officers' Certificate or supplemental indenture, provided that the foregoing procedure is acceptable to the Trustee.

SECTION 2.12. *CUSIP Numbers.* The Corporation, in issuing the Securities, may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Corporation will promptly notify the Trustee of any change in the "CUSIP" numbers.

ARTICLE THREE

REDEMPTION OF SECURITIES

SECTION 3.01. *Redemption of Securities; Applicability of Article.* Redemption of Securities of any series as permitted or required by the terms thereof shall be made in accordance with such terms and this Article; provided, however, that if any provision of any series of Securities shall conflict with any provision of this Article, the provision of such series of Securities shall govern.

The notice date for a redemption of Securities shall mean the date on which notice of such redemption is given in accordance with the provisions of Section 3.02 hereof.

SECTION 3.02. *Notice of Redemption; Selection of Securities.* The election of the Corporation to redeem any Securities shall be evidenced by an Officers' Certificate. In case the Corporation shall desire to exercise the right to redeem all, or, as the case may be, any part, of a series of Securities pursuant to the terms and provisions applicable to such series, it shall fix a date for redemption and shall mail a notice of such redemption at least thirty and not more than sixty days prior to the date fixed for redemption to the Holders of the Securities of such series that are Registered Securities to be redeemed as a whole or in part, at their last addresses as the same appear on the Security Register. Such mailing shall be by prepaid first class mail. Any notice which is mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the Holder shall have received such notice. In any case, failure to give notice by mail, or any defect in the notice to the Holder of any Security of a series designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Security of such series.

Notice of redemption to the Holders of Unregistered Securities to be redeemed as a whole or in part, who have filed their names and addresses with the Trustee as described in Section 313(c) of the Trust Indenture Act of 1939, shall be given by mailing notice of such redemption, by first class mail, postage prepaid, at least thirty days and not more than sixty days prior to the date fixed for redemption, to such Holders at such addresses as were so furnished to the Trustee (and, in the case of any such notice given by the Corporation, the Trustee shall make such information available to the Corporation for such purpose). Notice of redemption to any other Holder of an Unregistered Security of such series shall be published in an Authorized Newspaper in the Borough of Manhattan, The City of New York and in an Authorized Newspaper in London (and, if required by Section 4.04, in an Authorized Newspaper in Luxembourg), in each case, once in each of two successive calendar weeks, the first publication to be not less than thirty nor more than sixty days prior to the date fixed for redemption. Any notice that is mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the Holder shall have received such notice. In any case, failure to give notice by mail, or any defect in the notice to the Holder of any Security of a series designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Security of such series.

Each such notice of redemption shall specify the provisions of such Securities under which such redemption is made, that the conditions precedent, if any, to such redemption have occurred, shall describe the same and the date fixed for redemption, the redemption price at which such Securities are to be redeemed, the Place of Payment, that payment will be made upon presentation and surrender of such Securities and, in the case of Coupon Securities, of all Coupons appertaining thereto maturing after the date fixed for redemption, that interest and Additional Amounts, if any, accrued to the date fixed for redemption will be paid as specified in said notice, and that on and after said date interest, if any, thereon or on the portions thereof to be redeemed will cease to accrue. If fewer than all of the Securities of a series are to be redeemed any notice of redemption published in an Authorized Newspaper shall specify the numbers of the Securities to be redeemed and, if applicable, the CUSIP Numbers thereof. In case any Security is to be redeemed in part only, the notice of redemption shall state the portion of the principal amount thereof to be redeemed and shall state that upon surrender of such Security, a new Security or Securities in principal amount equal to the unredeemed portion thereof will be issued of the same series.

At least one Business Day prior to the redemption date specified in the notice of redemption given for Unregistered Securities as provided in this Section and on or prior to the redemption date specified in the notice of redemption given for all Securities other than Unregistered Securities, the Corporation will deposit in trust with the Trustee or with one or more Paying Agents an amount of money sufficient to redeem on the redemption date all the Securities or portions of Securities so called for redemption at the appropriate redemption price, together with interest, if any, and Additional Amounts, if any, accrued to the date fixed for redemption. The Corporation will give the Trustee notice of each redemption at least forty-five days prior to the date fixed for redemption (unless a shorter notice is acceptable to the Trustee) as to the aggregate principal amount of Securities to be redeemed.

If fewer than all of the Securities of a series are to be redeemed, the Trustee shall select, pro rata or by lot or in such other manner as it shall deem reasonable and fair, the numbers of the Securities to be redeemed in whole or in part.

SECTION 3.03. *Payment of Securities Called for Redemption.* If notice of redemption has been given as above provided, the Securities or portions of Securities with respect to which such notice has been given shall become due and payable on the date and at the Place of Payment stated in such notice at the applicable redemption price, together with interest, if any, and Additional Amounts, if any, accrued to the date fixed for redemption, and on and after said date (unless the Corporation shall default in the payment of such Securities at the redemption price, together with interest, if any, and Additional Amounts, if any, accrued to said date) interest on the Securities or portions of Securities so called for redemption shall cease to accrue. On presentation and surrender of such Securities subject to redemption at said Place of Payment in said notice specified, the said Securities or the specified portions thereof shall be paid and redeemed by the Corporation at the applicable redemption price, together with interest, if any, and Additional Amounts, if any, accrued thereon to the date fixed for redemption. Interest, if any, and Additional Amounts, if any, maturing on or prior to the date fixed for redemption shall continue to be payable (but without interest thereon unless the Corporation shall default in payment thereof) in the case of Coupon Securities to the bearers of the Coupons for such interest upon surrender thereof, and in the case of Registered Securities to the Holders thereof registered as such on the Security Register on the relevant record date subject to the terms and provisions of Section 2.04. At the option of the Corporation payment may be made by check to (or to the order of) the Holders of the Securities or other persons entitled thereto against presentation and surrender of such Securities.

If any Coupon Security surrendered for redemption shall not be accompanied by all appurtenant Coupons maturing after the date fixed for redemption, the surrender of such missing Coupon or Coupons may be waived by the Corporation and the Trustee, if there be furnished to each of them such security or indemnity as they may require to save each of them harmless.

Upon presentation of any Security redeemed in part only, the Corporation shall execute, and the Trustee shall authenticate and deliver to the Holder thereof, at the expense of the Corporation, a new Security or Securities, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the Security so presented of the same series.

ARTICLE FOUR

PARTICULAR COVENANTS OF THE CORPORATION

SECTION 4.01. *Payment of Principal, Premium, Interest and Additional Amounts.* The Corporation shall duly and punctually pay or cause to be paid the principal of (and premium, if any), interest, if any, and Additional Amounts, if any, on each of the Securities at the place, at the respective times and in the manner provided in the terms of the Securities and in this Indenture. The interest on Coupon Securities (together with any Additional Amounts) shall be payable only upon presentation and surrender of the several Coupons for such interest installments as are evidenced thereby as they severally mature. The interest, if any, on any temporary bearer securities (together with any Additional Amounts) shall be paid, as to the installments of interest evidenced by Coupons attached thereto, if any, only upon presentation and surrender thereof, and, as to the other installments of interest, if any, only upon presentation of such Securities for notation thereon of the payment of such interest. The interest on Registered Securities (together with any Additional Amounts) shall be payable only to the Holders thereof and at the option of the Corporation may be paid by (i) mailing checks for such interest payable to or upon the order of such Holders at their last addresses as they appear on the Security Register for such Securities or (ii) in the case of Holders of U.S. \$10,000,000 or more in aggregate principal amount of such Registered Securities, by wire transfer of immediately available funds, but only if the Trustee has received wire transfer instructions in writing not less than 15 days prior to the applicable Interest Payment Date.

SECTION 4.02. *Offices for Notices and Payments, Etc.* As long as any of the Securities of a series remain outstanding, the Corporation shall designate and maintain, in the Borough of Manhattan, The City of New York, an office or agency where the Registered Securities of such series may be presented for registration of transfer and for exchange as provided in this Indenture, an office or agency where notices and demands to or upon the Corporation in respect of the Securities of such series or of this Indenture may be served, and an office or agency where the Securities of such series may be presented for payment. The Corporation shall give to the Trustee notice of the location of each such office or agency and of any change in the location thereof. In case the Corporation shall fail to maintain any such office or agency in the Borough of Manhattan, The City of New York, or shall fail to give such notice of the location or of any change in the location thereof, presentations may be made and notices and demands may be served at the corporate trust office of the Trustee in the Borough of Manhattan, The City of New York, and the Corporation hereby appoints the Trustee as its agent to receive all such presentations, notices and demands.

If Unregistered Securities of any series are outstanding, the Corporation shall maintain or cause the Trustee to maintain one or more agencies in a city or cities located outside the United States (including any city in which such an agency is required to be maintained under the rules of any securities exchange on which the Securities of such series are listed) where such Unregistered Securities, and Coupons, if any, appertaining thereto may be presented for payment. No payment on any Unregistered Security or Coupon will be made upon presentation of such Unregistered Security or Coupon at an agency of the Corporation within the United States nor will any payment be made by transfer to an account in, or by mail to an address in, the United States, except, at the option of the Corporation, if the Corporation shall have determined that, pursuant to applicable United States laws and regulations then in effect such payment can be made without adverse tax consequences to the Corporation. Notwithstanding the foregoing, payments in U.S. Dollars with respect to Unregistered Securities of any series and Coupons appertaining thereto that are payable in U.S. Dollars may be made at an agency of the Corporation maintained in the Borough of Manhattan, The City of New York if such payment in U.S. Dollars at each agency maintained by the Corporation outside the United States for payment on such Unregistered Securities is illegal or is effectively precluded by exchange controls or other similar restrictions.

The Corporation hereby initially designates The First National Bank of Chicago, located at its Corporate Trust Office, as the Security Registrar and as the office or agency of the Corporation in the Borough of Manhattan, The City of New York, where the Securities may be presented for payment and, in the case of Registered Securities, for registration of transfer and for exchange as in this Indenture provided and where notices and demands to or upon the Corporation in respect of the Securities of any series or of this Indenture may be served.

SECTION 4.03. *Provisions as to Paying Agent.* (a) Whenever the Corporation shall appoint a paying agent other than the Trustee with respect to the Securities of any series, it will cause such paying agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section:

(1) that it will hold sums held by it as such agent for the payment of the principal of (and premium, if any), interest, if any, or Additional Amounts, if any, on the Securities of such series in trust for the benefit of the Holders of the Securities of such series, or Coupons appertaining thereto, as the case may be, entitled thereto and will notify the Trustee of the receipt of sums to be so held,

(2) that it will give the Trustee notice of any failure by the Corporation (or by any other obligor on the Securities of such series) to make a payment of the principal of (or premium, if any), interest, if any, or Additional Amounts, if any, on the Securities of such series when the same shall be due and payable, and

(3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such paying agent.

(b) If the Corporation shall act as its own paying agent, it will, on or before each due date of the principal of (and premium, if any), interest, if any, or Additional Amounts, if any, on the Securities of any series set aside, segregate and hold in trust for the benefit of the Holders of the Securities of such series entitled thereto a sum sufficient to pay such principal (and premium if any), interest, if any, or Additional Amounts, if any, so becoming due. The Corporation will promptly notify the Trustee of any failure to take such action.

(c) Anything in this Section to the contrary notwithstanding, the Corporation may, at any time, for the purpose of obtaining a satisfaction and discharge with respect to one or more or all series of Securities hereunder, or for any other reason, pay or cause to be paid to the Trustee all sums held in trust for such series by it or any paying agent hereunder as required by this Section, such sums to be held by the Trustee upon the trusts herein contained.

(d) Anything in this Section to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section is subject to the provisions of Sections 12.04 and 12.05.

SECTION 4.04. *Luxembourg Publications.* In the event of the publication of any notice pursuant to Section 3.02, 6.07, 7.10, 7.11, 9.02, 10.02 or 12.05, the party making such publication shall also, to the extent that notice is required so to be given to Holders of Securities of a series by applicable Luxembourg law or stock exchange regulation, make a similar publication the same number of times in Luxembourg.

SECTION 4.05. *Statement by Officers as to Default.* The Corporation shall deliver to the Trustee, on or before a date not more than four months after the end of each fiscal year of the Corporation (which, on the date of execution hereof, ends on December 31) ending after the date hereof, commencing with the fiscal year ended in 1999, an Officers' Certificate, stating whether or not to the best knowledge of the signers thereof the Corporation is in default in the performance or observance of any of the terms, provisions and conditions of this Indenture to be performed or observed by it and, if the Corporation shall be in default, specifying all such defaults and the nature thereof of which they may have knowledge.

SECTION 4.06. *Limitations on Liens.* For the benefit of the Securities, the Corporation shall not, nor shall it permit any Manufacturing Subsidiary to, issue or assume any Debt secured by a Mortgage upon any Domestic Manufacturing Property of the Corporation or of any Manufacturing Subsidiary or upon any shares of stock or indebtedness of any Manufacturing Subsidiary (whether such Domestic Manufacturing Property, shares of stock or indebtedness are now owned or hereafter acquired) without in any such case effectively providing concurrently with the issuance or assumption of any such Debt that the Securities (together with, if the Corporation shall so determine, any other indebtedness of the Corporation or such Manufacturing Subsidiary ranking equally with the Securities and then existing or thereafter created) shall be secured equally and ratably with such Debt, unless the aggregate amount of Debt issued or assumed and so secured by Mortgages, together with (i) all other Debt of the Corporation and its Manufacturing Subsidiaries which (if originally issued or assumed at such time) would otherwise be subject to the foregoing restrictions, but not including Debt permitted to be secured under clauses (i) through (v) of the immediately following paragraph and not including Permitted Receivables Financings, and (ii) all Attributable Debt of the Company and its Manufacturing Subsidiaries in respect of sale and lease-back transactions, does not at the time exceed 15% of Consolidated Net Tangible Assets as shown on the audited consolidated financial statements for the most recently completed fiscal year.

The above restrictions shall not apply to: (i) Mortgages on property, shares of stock or indebtedness of any entity existing at the time (a) such entity becomes a Manufacturing Subsidiary or (b) of a sale, lease or other disposition of all or substantially all of the properties of the entity to the Corporation or a Manufacturing Subsidiary; (ii) Mortgages on property existing at the time of acquisition of such property by the Corporation or a Manufacturing Subsidiary, or Mortgages to secure the payment of all or any part of the purchase price of such property upon the acquisition of such property by the Corporation or a Manufacturing Subsidiary or to secure any Debt incurred prior to, at the time of, or within 180 days after, the later of the date of acquisition of such property and the date such property is placed in service, for the purpose of financing all or any part of the purchase price thereof, or Mortgages to secure any Debt incurred for the purpose of financing the cost to the Corporation or a Manufacturing Subsidiary of

improvements to such acquired property; (iii) Mortgages securing Debt of a Manufacturing Subsidiary owing to the Corporation or to another Subsidiary; (iv) Mortgages on property of the Corporation or a Manufacturing Subsidiary in favor of the United States of America or any State thereof, or any department, agency or instrumentality or political subdivision of the United States of America or any State thereof, or in favor of any other country, or any political subdivision thereof, in connection with financing arrangements between the Corporation or a Manufacturing Subsidiary and any of the foregoing governmental bodies or agencies, to the extent that Mortgages are required by the governmental programs under which those financing arrangements are made, to secure partial, progress, advance or other payments pursuant to any contract or statute or to secure any indebtedness incurred for the purpose of financing all or any part of the purchase price or the cost of construction of the property subject to such Mortgages or (v) any extension, renewal or replacement (or successive extensions, renewals or replacements) in whole or in part, of any Mortgage referred to in the foregoing clauses (i) to (v), inclusively; provided however, that the principal amount of Debt secured thereby shall not exceed the principal amount of Debt so secured at the time of such extension, renewal or replacement and that such extension, renewal or replacement shall be limited to all or a part of the property that secured the Mortgage so extended, renewed or replaced (plus improvements on such property).

SECTION 4.07. *Limitation on Sale and Lease-Back.* For the benefit of the Holders of the Securities, the Corporation shall not, nor shall it permit any Manufacturing Subsidiary to, enter into any arrangement with any person providing for the leasing by the Corporation or any Manufacturing Subsidiary of any Domestic Manufacturing Property owned by the Corporation or by any Manufacturing Subsidiary on the date that the Securities are originally issued (except for temporary leases for a term of not more than three years and except for leases between the Corporation and a Manufacturing Subsidiary or between Manufacturing Subsidiaries), which property has been or is to be sold or transferred by the Corporation or such Manufacturing Subsidiary to such person, unless either (i) the Corporation or such Manufacturing Subsidiary would be entitled, pursuant to the provisions of the covenant on limitation on liens described in Section 4.06, to issue, assume, extend, renew or replace Debt secured by a Mortgage upon such Domestic Manufacturing Property equal in amount to the Attributable Debt in respect of such arrangement without equally and ratably securing the Securities; provided, however, that from and after the date on which such arrangement becomes effective the Attributable Debt in respect of such arrangement shall be deemed for all purposes under the covenant on limitation on liens described in Section 4.06 and this covenant on limitation on sale and lease-back to be Debt subject to the provisions of such covenant on limitation on liens (which provisions include the exceptions set forth in clauses (i) through (v) of such covenant), or (ii) the Corporation shall apply an amount in cash equal to the Attributable Debt in respect of such arrangement to the retirement (other than any mandatory retirement or by way of payment at maturity), within 180 days of the effective date of any such arrangement, of Debt of the Corporation or any Manufacturing Subsidiary (other than Debt owned by the Corporation or any Manufacturing Subsidiary) which by its terms matures at, or is extendible or renewable at the option of the obligor to, a date more than twelve months after the date of the creation of such Debt.

SECTION 4.08. *Definitions Applicable to Sections 4.06 and 4.07.* The following definitions shall be applicable to the covenants contained in Sections 4.06 and 4.07 hereof:

(a) "Attributable Debt" means, at the time of determination as to any lease, the present value (discounted at the actual rate, if stated, or, if no rate is stated, the implicit rate of interest of such lease transaction as determined by the Chairman, President, any Vice Chairman, any Vice President, the Treasurer or any Assistant Treasurer of the Corporation), calculated using the interval of scheduled rental payments under such lease, of the obligation of the lessee for net rental payments during the remaining term of such lease (excluding any subsequent renewal or other extension options held by the lessee). The term "net rental payments" means, with respect to any lease for any period, the sum of the rental and other payments required to be paid in such period by the lessee thereunder, but not including any amounts required to be paid by such lessee (whether or not designated as rental or additional rental) on account of maintenance and repairs, insurance, taxes, assessments, water rates, indemnities or similar charges required to be paid by such lessee thereunder or any amounts required to be paid by such lessee thereunder

contingent upon the amount of sales, earnings or profits or of maintenance and repairs, insurance, taxes, assessments, water rates, indemnities or similar charges; provided, however, that, in the case of any lease which is terminable by the lessee upon the payment of a penalty in an amount which is less than the total discounted net rental payments required to be paid from the later of the first date upon which such lease may be so terminated and the date of the determination of net rental payments, "net rental payments" shall include the then current amount of such penalty from the later of such two dates, and shall exclude the rental payments relating to the remaining period of the lease commencing with the later of such two dates.

(b) "Consolidated Net Tangible Assets" means, as calculated in accordance with GAAP, at any date, all amounts that would be set forth opposite the caption "total assets" (or any like caption) on a consolidated balance sheet of the Company and its consolidated Subsidiaries less (i) all current liabilities and (ii) goodwill, trade names, patents, unamortized debt discount, organization expenses and other like intangibles of the Corporation and its consolidated Subsidiaries.

(c) "Debt" means notes, bonds, debentures or other similar evidences of indebtedness for money borrowed.

(d) "Domestic Manufacturing Property" means any manufacturing plant or facility owned by the Corporation or any Manufacturing Subsidiary which is located within the continental United States of America and, in the opinion of the Board of Directors, is of material importance to the total business conducted by the Corporation and its consolidated affiliates as an entity.

(e) "GAAP" means generally accepted accounting principles in the United States of America as in effect from time to time set forth in the opinions and pronouncements of the Accounting Principles Board and the American Institute of Certified Public Accountants and the statements and pronouncements of the Financial Accounting Standards Board, or in such other statements by a successor entity as may be in general use by significant segments of the accounting professions, which are applicable to the circumstances as of the date of determination.

(f) "Manufacturing Subsidiary" means any Subsidiary (A) substantially all the property of which is located within the continental United States of America, (B) that owns a Domestic Manufacturing Property and (C) in which the Corporation's investment, direct or indirect and whether in the form of equity, debt, advances or otherwise, is in excess of U.S. \$1 billion as shown on the books of the Corporation as of the end of the fiscal year immediately preceding the date of determination; provided, however, that "Manufacturing Subsidiary" shall not include any Subsidiary that is principally engaged in leasing or in financing installment receivables or otherwise providing financial or insurance services to the Corporation or others or that is principally engaged in financing the Corporation's operations outside the continental United States of America.

(g) "Mortgage" means any mortgage, pledge, lien, security interest, conditional sale or other title retention agreement or other similar encumbrance.

(h) "Non-Recourse Debt" means all Debt which, in accordance with GAAP, is not required to be recognized on a consolidated balance sheet of the Corporation as a liability.

(i) "Permitted Receivables Financings" means, at any date of determination, the aggregate amount of any Non-Recourse Debt outstanding on such date relating to securitizations or other similar off-balance sheet financings of accounts receivable of the Corporation or any of its Subsidiaries.

ARTICLE FIVE

SECURITYHOLDER LISTS AND REPORTS BY THE CORPORATION AND THE TRUSTEE

SECTION 5.01. *Securityholder Lists.* The Corporation covenants and agrees that it will furnish or cause to be furnished to the Trustee with respect to the Securities of each series:

(a) semiannually, not later than each Interest Payment Date (in the case of any series having semiannual Interest Payment Dates) or not later than the dates determined pursuant to Section 2.01 (in the case of any series not having semiannual Interest Payment Dates) a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders of Securities of such series as of the Regular Record Date (or as of such other date as may be determined pursuant to Section 2.01 for such series) therefor, and

(b) at such other times as the Trustee may request in writing within thirty days after receipt by the Corporation of any such request, a list in such form as the Trustee may reasonably require of the names and addresses of the Holders of Securities of a particular series specified by the Trustee as of a date not more than fifteen days prior to the time such information is furnished; provided, however, that if and so long as the Trustee shall be the Security Registrar any such list shall exclude names and addresses received by the Trustee in its capacity as Security Registrar, and if and so long as all of the Securities of any series are Registered Securities, such list shall not be required to be furnished.

SECTION 5.02. *Preservation and Disclosure of Lists.* (a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the Holders of each series of Securities (i) contained in the most recent list furnished to it as provided in Section 5.01, (ii) received by the Trustee in its capacity as Security Registrar or Paying Agent, or (iii) filed with it within the preceding two years pursuant to Section 313(c) of the Trust Indenture Act of 1939. The Trustee may destroy any list furnished to it as provided in Section 5.01 upon receipt of a new list so furnished.

(b) In case three or more Holders of Securities (hereinafter referred to as "applicants") apply in writing to the Trustee and furnish to the Trustee reasonable proof that each such applicant has owned a Security of such series for a period of at least six months preceding the date of such application, and such application states that the applicants desire to communicate with other Holders of Securities of a particular series (in which case the applicants must hold Securities of such series) or with Holders of all Securities with respect to their rights under this Indenture or under such Securities and it is accompanied by a copy of the form of proxy or other communication that such applicants propose to transmit, then the Trustee shall, within five business days after the receipt of such application, at its election, either:

(1) afford to such applicants access to the information preserved at the time by the Trustee in accordance with the provisions of subsection (a) of this Section, or

(2) inform such applicants as to the approximate number of Holders of Securities of such series or all Securities, as the case may be, whose names and addresses appear in the information preserved at the time by the Trustee, in accordance with the provisions of subsection (a) of this Section, and as to the approximate cost of mailing to such Securityholders the form of proxy or other communication, if any, specified in such application.

If the Trustee shall elect not to afford to such applicants access to such information, the Trustee shall, upon the written request of such applicants, mail to each Holder of such series or all Securities, as the case may be, whose name and address appear in the information preserved at the time by the Trustee in accordance with the provisions of subsection (a) of this Section, a copy of the form of proxy or other communication that is specified in such request, with reasonable promptness after a tender to the Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing, unless within five days after such tender, the Trustee shall mail to such applicants and file with the Securities and Exchange Commission, together with a copy of the material to be mailed, a written

statement to the effect that, in the opinion of the Trustee, such mailing would be contrary to the best interests of the Holders of Securities of such series or all Securities, as the case may be, or would be in violation of applicable law. Such written statement shall specify the basis of such opinion. If said Commission, after opportunity for appearing upon the objections specified in the written statement so filed, shall enter an order refusing to sustain any of such objections or if, after the entry of an order sustaining one or more of such objections, said Commission shall find, after notice and opportunity for hearing, that all the objections so sustained have been met, and shall enter an order so declaring, the Trustee shall mail copies of such material to all such Holders with reasonable promptness after the entry of such order and the renewal of such tender; otherwise the Trustee shall be relieved of any obligation or duty to such applicants respecting their application.

(c) Each and every Holder of Securities, by receiving and holding the same, agrees with the Corporation and the Trustee that neither the Corporation nor the Trustee nor any agent of the Corporation or of the Trustee shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the Holders of Securities in accordance with the provisions of subsection (b) of this Section, regardless of the source from which such information was derived, and that the Trustee shall not be held accountable by reason of mailing any material pursuant to a request made under said subsection (b).

SECTION 5.03. *Reports by the Corporation.* The Corporation covenants:

(a) to file with the Trustee within fifteen days after the Corporation is required to file the same with the Securities and Exchange Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as said Commission may from time to time by rules and regulations prescribe) which the Corporation may be required to file with said Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934; or, if the Corporation is not required to file information, documents or reports pursuant to either of such sections, then to file with the Trustee and said Commission, in accordance with rules and regulations prescribed from time to time by said Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Securities Exchange Act of 1934 in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations.

(b) to file with the Trustee and the Securities and Exchange Commission, in accordance with the rules and regulations prescribed from time to time by said Commission, such additional information, documents, and reports with respect to compliance by the Corporation with the conditions and covenants provided for in this Indenture as may be required from time to time by such rules and regulations;

(c) to transmit by mail to all the Holders of Securities of each series, as the names and addresses of such Holders appear on the Security Register, within thirty days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Corporation with respect to each such series pursuant to subsections (a) and (b) of this Section as may be required by rules and regulations prescribed from time to time by the Securities and Exchange Commission; and

(d) If Unregistered Securities of any series are outstanding, to file with the listing agent of the Corporation with respect to such series such documents and reports of the Corporation as may be required from time to time by the rules and regulations of any stock exchange on which such Unregistered Securities are listed.

SECTION 5.04. *Reports by the Trustee.* (a) On or before May 15, 1999 and on or before May 15 of each year thereafter, so long as any Securities of any series are outstanding hereunder, the Trustee shall transmit to the Holders of Securities of such series, in the manner provided by Section 313(c) of the Trust Indenture Act of 1939, a brief report dated as of the preceding February 15, as may be required by Sections 313(a) and (b) of the Trust Indenture Act of 1939.

(b) A copy of each such report shall, at the time of such transmission to Holders of Securities of a particular series, be filed by the Trustee with each stock exchange upon which the Securities of such series

are listed and also with the Securities and Exchange Commission. The Corporation agrees to notify the Trustee when and as the Securities of any series become listed on any stock exchange.

ARTICLE SIX REMEDIES ON DEFAULT

SECTION 6.01. *Events of Default.* In case one or more of the following Events of Default with respect to a particular series of Securities shall have occurred and be continuing, that is to say:

(a) default in the payment of the principal of (or premium, if any, on) any of the Securities of such series as and when the same shall become due and payable either at maturity, upon redemption, by declaration or otherwise; or

(b) default in the payment of any installment of interest, if any, or in the payment of any Additional Amounts upon any of the Securities of such series as and when the same shall become due and payable, and continuance of such default for a period of thirty days after written notice from the Trustee; or

(c) failure on the part of the Corporation duly to observe or perform any other of the covenants or agreements on the part of the Corporation applicable to such series of the Securities or contained in this Indenture for a period of ninety days after the date on which written notice of such failure, requiring the Corporation to remedy the same, shall have been given to the Corporation by the Trustee, or to the Corporation and the Trustee by the Holders of at least twenty-five percent in aggregate principal amount of the Securities of such series at the time outstanding; or

(d) default by the Corporation or any Significant Subsidiary in any payment of \$25,000,000 or more of principal of or interest on any Debt or in the payment of \$25,000,000 or more on account of any guarantee in respect of Debt, beyond any period of grace that may be provided in the instrument or agreement under which such Debt or guarantee was created.

(e) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Corporation in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appoint a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Corporation or for any substantial part of its property, or ordering the winding-up or liquidation of its affairs, and such decree or order shall remain unstayed, undismissed and unbonded and in effect for a period of ninety days; or

(f) the Corporation shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or similar official) of the Corporation or for a substantial part of its property, or shall make any general assignment for the benefit of creditors;

then if an Event of Default described in clause (a), (b), (c) or (d) shall have occurred and be continuing, and in each and every such case, unless the principal amount of all the Securities of such series shall have already become due and payable, either the Trustee or the Holders of not less than twenty-five percent in aggregate principal amount of the Securities of all series affected thereby then outstanding hereunder, by notice in writing to the Corporation (and to the Trustee if given by Holders of such Securities) may declare the principal amount of all the Securities (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) of the series affected thereby to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, any provision of this Indenture or the Securities of such series to the contrary notwithstanding, or, if an Event of Default described in clause (e) or (f) shall have occurred and be continuing, and in each and every such case, either the Trustee or the Holders of not less than twenty-five percent in aggregate principal amount of all the Securities then outstanding hereunder (voting as one class), by notice in writing to the Corporation (and to the Trustee if given by Holders of securities), may declare the principal of all the Securities not already due and payable (or, with respect to

Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, any provision in this Indenture or in the Securities to the contrary notwithstanding. The foregoing provisions, however, are subject to the conditions that if, at any time after the principal of the Securities of any one or more or all series, as the case may be, shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, the Corporation shall pay or shall deposit with the Trustee a sum sufficient to pay all matured installments of interest, if any, and all Additional Amounts, if any, due upon all the Securities of such series or of all the Securities, as the case may be, and the principal of (and premium, if any, on) all Securities of such series or of all the Securities, as the case may be (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities), which shall have become due otherwise than by acceleration (with interest, if any, upon such principal and premium, if any, and, to the extent that payment of such interest is enforceable under applicable law, on overdue installments of interest and Additional Amounts, if any, at the same rate as the rate of interest specified in the Securities of such series, as the case may be (or, with respect to Original Issue Discount Securities, at the rate specified in the terms of such Securities for interest on overdue principal thereof upon maturity, redemption or acceleration of such series, as the case may be), to the date of such payment or deposit), and such amount as shall be payable to the Trustee pursuant to Section 7.06, and any and all defaults under the Indenture shall have been remedied, then and in every such case the Holders of a majority in aggregate principal amount of the Securities of such series (or of all the Securities, as the case may be) then outstanding, by written notice to the Corporation and to the Trustee, may waive all defaults with respect to that series or with respect to all Securities, as the case may be, and rescind and annul such declaration and its consequences; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default or shall impair any right consequent thereon. If the principal of all Securities shall have been declared to be payable pursuant to this Section 6.01, in determining whether the Holders of a majority in aggregate principal amount thereof have waived all defaults and rescinded and annulled such declaration, all series of Securities shall be treated as a single class and the principal amount of Original Issue Discount Securities shall be deemed to be the amount declared payable under the terms applicable to such Original Issue Discount Securities.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of such rescission and annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Corporation, Trustee and the Holders of Securities, as the case may be, shall be restored respectively to their former positions and rights hereunder, and all rights, remedies and powers of the Corporation, the Trustee and the Holders of Securities, as the case may be, shall continue as though no such proceedings had been taken.

SECTION 6.02. *Payment of Securities on Default; Suit Therefor.* The Corporation covenants that (1) in case default shall be made in the payment of any installment of interest, if any, on any of the Securities of any series or any Additional Amounts payable in respect of any of the Securities of any series, as and when the same shall become due and payable, and such default shall have continued for a period of thirty days or (2) in case default shall be made in the payment of the principal of (or premium, if any, on) any of the Securities of any series, as and when the same shall have become due and payable, whether upon maturity of such series or upon redemption or upon declaration or otherwise, then upon demand of the Trustee, the Corporation shall pay to the Trustee, for the benefit of the Holders of the Securities of such series, and the Coupons, if any, appertaining to such Securities, the whole amount that then shall have become due and payable on all such Securities of such series and such Coupons, for principal (and premium, if any) or interest, if any, or Additional Amounts, if any as the case may be, with interest upon the overdue principal (and premium, if any) and (to the extent that payment of such interest is enforceable under applicable law) upon overdue installments of interest, if any, and Additional Amounts, if any, at the same rate as the rate of interest specified in the Securities of such series (or, with respect to Original Issue Discount Securities, at the rate specified in the terms of such Securities for
